

Call for projects 2023 - N° 4 - Prize Dr. Léon Dumont

The Dr. Léon Dumont prize is a legacy offered to the Belgian Society of cardiology to award research excellence.

The Belgian Heart Fund was created in collaboration with the Belgian Society of Cardiology to support research in cardiology. The Dr. Léon Dumont prize is a legacy offered to the Belgian Society of cardiology to award research excellence. The Fund is managed by the King Baudouin Foundation with the help of a scientific jury and a Fund Steering Committee. The Fund is launching a Prize for research in the field of **cardiology**.

Subject of the call

The Prize concerns basic or clinical research in the field of **cardiovascular pathologies**. The Prize is intended as a recognition for realized research in cardiology and an encouragement to continue research in this field.

Selection criteria

- Scientific quality and originality of the realized research
- Scientific quality and potential impact of the proposed future research
- Track record and career potential of the project leader (creativity, management skills, international visibility etc.)

Eligible applicants

The call is open to European researchers in cardiovascular medicine, working in a member country of the European Society of Cardiology (see www.escardio.org for the list of countries). Candidates must be actively engaged in research and may not be older than 50 years on 31st December 2023.

Prize

- An amount of € 40.000 is available to award one single researcher.
- No overhead can be deducted from this Prize. The entire amount must go to the grantee.
- The Prize money has to be re-invested in further research and will be transferred to the research account of the institute where the researcher is working.
- The laureate will be required to give the “Dumont Prize Lecture” at the Annual Scientific Meeting of the Belgian Society for Cardiology in February 2024 in Brussels, Belgium.

Procedure

If you are interested, please submit **an online application** via the website of the King Baudouin Foundation www.kbs-frb.be. Applications should be submitted **in English** by 9th October 2023 at midnight at the latest. Candidates will receive an acknowledgement of receipt.

Selection

Applications will be submitted to an independent scientific jury. The jury will assess the projects and will draw up recommendations for the General Steering Committee of the Fund which will make the final decision. The decision will be published in January 2024. The grant will be officially awarded at the annual congress of the Belgian Society of Cardiology planned in February 2024.

*** Interested in support for research projects in other domains of cardiology? Have also a look at the other ongoing calls:**

N° 1. Basic research in cardiology, launched by the Belgian Heart Fund, the Fund Walckiers-Van Dessel and the Fund Fernand Léonard.

N° 2. Clinical research in cardiology , launched by the Belgian Heart Fund and the Fund Fernand Léonard.

N° 3 Call for Multicentre clinical trials, launched by the Belgian Heart Fund.

N° 5 Call for translational and clinical research in cardio-oncology, launched by the Fund for research in cardio-oncology

Information on the ongoing calls is available on the websites of the King Baudouin Foundation and of the Belgian Society of Cardiology.

Please note that one same project can only be introduced once, parallel introduction of the same project in different calls is not allowed. On the other hand, a candidate or team can submit different projects for different calls.

With thanks to the Belgian Society of Cardiology and their sponsors, including the BHF donors, for their valued support.

King Baudouin Foundation

Working together for a better society

The King Baudouin Foundation's mission is to contribute to a better society.

The Foundation is an actor for change and innovation, serving the public interest and increasing social cohesion in Belgium and Europe.
