

Bringing about more change in Africa, Latin America and Asia through financial support, good practice and networking, and through support to donors.

This is what the King Baudouin Foundation has been doing for more than 15 years. Thanks to the efforts of so many people, it aims to continue with this work. [Some figures are shown below.](#)

of charge in committees and  
juries in 2022 for philanthropic  
Funds engaged in Africa,  
Latin America and Asia

In 2019 two projects (Business Partnership Facility; Common Goal Fund) were launched for a total amount of more than € 3 million. In 2021, KBF's engagement increased significantly in response to the COVID-19 crisis. Several philanthropic funds, either existing or set up at the time, notably by companies, responded massively to solidarity needs on all continents, and in particular in India. With the figures for 2022, the 5-year trend is still clearly upwards, but back to more moderate growth.

€ 1,240,000

was the outstanding amount  
in the form of loans and  
bank guarantees for  
social enterprises in Africa

The King Baudouin Foundation's mission is to contribute to a better society. The Foundation is an actor for change and innovation, serving the public interest and increasing social cohesion in Belgium and internationally.

We seek to maximise our impact by strengthening the capacity of organisations and individuals. We also stimulate effective philanthropy by individuals and corporations. The King Baudouin Foundation is a public benefit foundation.

The Foundation was set up in 1976 on the occasion of the 25th anniversary of King Baudouin's reign.

**We would like to thank the Belgian National Lottery and all our donors for their valued support.**
