## Call for clinical fellowship in paediatric haematology-oncology 2024-2025

The Fund Prinses Máxima Centrum Belgium was created to support clinical fellowships for paediatricians, with the aim to fulfil their training to obtain the Belgian professional title “paediatric haemato-oncologist”.

The Fund is managed by the King Baudouin Foundation with the help of a scientific jury and a Steering Committee.

In 2024, the Fund is launching a third call for fellowship.

### Subject of the call for fellowship

The Fund Prinses Máxima Centrum Belgium supports medical doctors who obtained a paediatric recognition in a Belgian university, or who have a Belgian recognition as paediatrician.

The application should be formally supported by the training supervisor of the Belgian hospital where the paediatrician is in residency.

Based on this first selection, the best quoted candidates will be invited for an interview.
