FOCUS COUNTRIES

The King Baudouin Foundation is making a global impact with a strong focus on Africa, where 61% of its 2023 international engagements were concentrated.

KBF's International Programme manages a variety of philanthropic Funds, most of them with their own specific thematic or geographical priorities.

Besides these donor-driven Funds, KBF combines the means of some

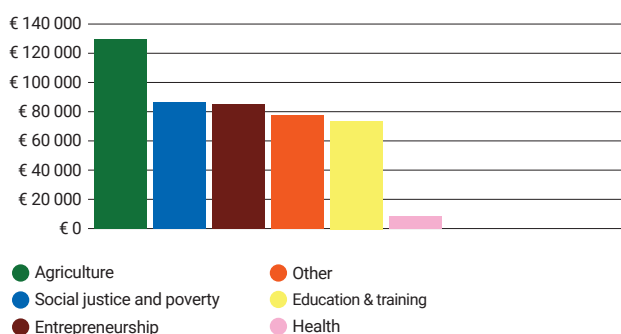

less-earmarked Funds with similar objectives around three themes: Health, Training and Entrepreneurship, and Environment. These three pooled Funds strategically channel significant resources towards local organisations in four focus countries in Africa: Burundi, the DR Congo, Benin and Senegal.

The below snapshot presents the key figures of KBF's overall financial support in these four countries.

 King Baudouin Foundation
Working together for a better society

The King Baudouin Foundation

The King Baudouin Foundation is an independent, pluralist public utility foundation and a member of the Myriad alliance for borderless giving. Its mission is to contribute to a better society in Belgium, in Europe and elsewhere in the world. The Foundation is an actor for change and innovation, serving the public interest and increasing social cohesion. It seeks to maximise its impact by improving skills in organisations and for individuals who contribute to building a better society. It also stimulates effective philanthropy among individuals and businesses in Belgium, Europe and around the world.

The Foundation was set up in 1976, on the occasion of the 25th anniversary of King Baudouin's reign.
