

# WHAT CAN WE LEARN FROM OUR GRANTEES?

## SURVEY OF ORGANISATIONS AND INDIVIDUALS WHO RECEIVED SUPPORT IN 2015-2017

Working together for a better society. At the King Baudouin Foundation, one of the ways we do this is by offering financial support to hundreds of organisations and individuals each year. Independent juries and support committees guarantee independent selections. The Foundation evaluates the projects and individuals it supports to determine their impact. This enables us to fine-tune and adjust our approach and working methods.

### But what do grantees themselves think? How have they found implementing their project? And working with the Foundation?

We put these questions to them in an online survey. 56% of grantees responded. Below you'll find the results of this survey together with some additional statistics.
