

# CANCER RESEARCH FOR MORE PATIENT VALUE

## Expression of interest

---

Name

Organisation

Function

The expression of interest should be composed of a motivation letter and a curriculum vitae.

### 1. COMMUNICATE YOUR MOTIVATION

---

The motivation letter should be kept concise (maximum 4 pages) and include:

- > you as a person and researcher
- > your motivation/enthusiasm for being part of the transdisciplinary team, how you see this transdisciplinary team take shape and your vision on patient value
- > your experience in collaborative research, working with patients and your relationship with cancer
- > your availability

### 2. SHARE YOUR EXPERIENCE

---

The curriculum vitae is maximum a 2-pagers (A4 format).

Please only mention the most relevant elements of your professional education and career, including experience, publications and soft skills.

- > Higher education
- > Soft skills (max. 5)
- > Professional career
- > Multidisciplinary and/or transdisciplinary experience
- > Most relevant achievements to the research field

Please send the required information by e-mail to [Vanackere.l@kbs-frb.be](mailto:Vanackere.l@kbs-frb.be) by **3rd November 2022**.
